SINGLE F1 IMPATIENS 
I. walleriana

Super Elfin™ Series

Height: 8 to 10 in. (20 to 25 cm)
Spread: 12 to 14 in. (30 to 35 cm)
A Made for the Shade and Colour Essentials selection.

Supplied as standard seed with a 95%+ Yield Potential rating.

Super Elfin XP varieties deliver a tight, 5 to 7-day flowering window across all colours – core and novelty – so all plants ship at the same time to meet market dates. The broad colour range lets you mix and match any Super Elfin XP variety to achieve the most uniform impatiens crop. Both the XP and standard colours continue to deliver the series' trademark abundant and early blooms; compact, basal-branching habit; and superior holding power in packs. *Rose XP* was announced as "Best Impatiens (seed)" at the Colorado State University 2009 trial.
